POS 1957

Tarjeta postal.

Post card – Carte postale – Postkarte – Cartolina postale
Dopisnice – Открытое-письмо – Levelező-Lap – Briefkaart.

The form consists of a vertical line that starts with a horizontal top bar. From the bottom of this bar, a vertical line descends. To the right of this vertical line, there are several horizontal dashed lines that extend across the width of the page, creating a series of horizontal compartments. In the top right corner, there is a dashed rectangular box, likely intended for a postage stamp.
